

We are hoping many of you will join us on Team Fragile X Toronto! The big event is taking place **Sunday October 21st, 2018**. This is a world class event, something we look forward to every year and something that makes us so fulfilled at the end. Come be a part of this amazing day, the amazing team! This event is so much more than committing to a run or walk. It's about raising AWARENESS and much needed funds for a disease that deeply affects us all. We run and raise money for our sons. For a small charity, like the FXRFC, this run is really making a difference!

For all details on the event, please see Scotiabank Toronto Waterfront Marathon website:
<http://www.torontowaterfrontmarathon.com/>

There are 3 runs to choose from, the full marathon, the 1/2 marathon or the 5K FUN run. If you're not a runner but would LOVE to show your support please consider walking the 5K, it's a great experience! The 5K run/walk is very popular and sells out quickly, do not delay!

Regarding fundraising, DO NOT feel you must have your own fundraising page, If you don't want your own fundraising page, you can direct your sponsors to the team page:

Click on "Join Team"

We warn you, the software & sign up process can be frustrating, please be patient!! Once you have "joined" the team, do check the team web page to see if your name is actually there.

Familiarize yourself with your fundraising page. e.g. setting the fundraising total, downloading pictures, etc. The fundraising component is the most important part. Once your fundraising page is up, you can begin emailing people the link. If you have any issues or questions let us know. If there are a group of you running together, you can do individual fundraising pages, or a team page can be very effective as well. For example, Ian & I are both running/registered & each have a fundraising page, however, we will just use one of our pages and call it something like "Team Shearer". If we had a friend running with us, to support us, he/she could direct their fundraising efforts to our page also by providing our link.

If you know anyone who would be interested in joining please pass this info onto them. If you cannot join us this year, kindly consider making a donation to the team page, as above. Thanks for Supporting TEAM Fragile X Toronto!! Check out our FaceBook page for more updates. Keep Friday October 19th available for the Team Toronto dinner - details on our FB page as they are confirmed.

Your Captains, Jennifer & Ian
